About this program

You will gain the technical skills and knowledge to pursue a career in accounting, behavioural science, financial planning, finance or economics. In your first year, you will explore the core skills and concepts of commerce including accounting, economics, business statistics, and management. In your second and third years, you will build on this knowledge with your chosen major.

You can choose a single major, which will give you specialist skills in one profession, or expand your expertise with a second commerce major, or additional major, including management, marketing, politics and public policy and international business.

If you are not sure which majors to choose just yet, that is okay. Once you enrol you can try some different courses before you choose the combination that is right for you.

Hands-on learning

Students at the Gold Coast and Nathan campuses are taught in financial trading rooms featuring state-of-the-art desktops equipped with the Bloomberg Professional Service. Bloomberg LP is a global leader in business and financial information and the Bloomberg Professional Service is a software platform that provides trusted real-time and historical data, and market news and analytics to help business and financial professionals make better informed investment decisions. You will have access to the exciting world of the stock market and be able to put theory into practice from the start of your degree.

My attendance during the program

Attendance information

This program is offered full-time on the Nathan and Gold Coast campuses. You may choose to study courses at other campuses where the program structure allows.

As a full-time student, you will generally attend 12-16 hours of scheduled classes per week throughout the trimester.

Classes may be scheduled during the day and evening throughout the week.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

Work-integrated learning

Students will have the opportunity to undertake work integrated learning experiences as part of their program.

Please note that specific criteria apply for entry to these courses and students will need to contact the Course Convenor for further information.

Students who are not eligible to enrol in the Commerce WIL course may apply to enrol in internships offered by Griffith Business School and other areas of the University. More information is available [here](#).

Program accreditation

Program accreditation

Depending on the courses you complete you can graduate with a degree accredited by:

- *Accounting*: **Chartered Accountants Australia and New Zealand (CA ANZ)** and **CPA Australia**.
- *Financial Planning*: **Financial Adviser Standards (FAS)**.

Professional recognition

Professional recognition

Professional recognition will vary depending upon the courses you complete.

- *Accounting major:* Completion of the Bachelor of Commerce, along with completion of the courses required for Accounting accreditation, provides exemptions from the **ACCA** Foundation Level Exams F1-F9.
- *Financial Planning major:* Graduates will be eligible for admission to the **Financial Planning Association (FPA)** of Australia's CERTIFIED FINANCIAL PLANNER® Certification Program.
- *Finance major:* The Bachelor of Commerce (Finance) has been accepted into the **CFA Institute** University Affiliation Program. This status is granted to institutions whose degree program incorporates at least 70% of the CFA Program **Candidate Body of Knowledge (CBOK)**, which provide students with a solid grounding in the CBOK and positions them well to site for the CFA exams.
- *Taxation minor:* Graduates who complete the Taxation Minor meet the education requirements for registration as a Tax Agent with the Tax Practitioners Board.

What are the fees?

International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Bachelor of Commerce (1035)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the **Undergraduate Programs Admission Policy**.

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
