How to apply

Can I apply?

Admission requirements

The University's [Admission Policy](#) will apply.

This program is quota managed as there are a limited number of places available to ensure that sufficient resources are available to support the students. Meeting the admission requirements for this program may not result in an applicant receiving an admission offer.

Prior OP students: Applicants who graduated with an OP in or before 2019 can apply to Queensland Curriculum and Assessment Authority (QCAA) for an ATAR statement. For more information visit qcaa.qld.edu.au/senior/australian-tertiary-admission-rank-atar.

New Entry Requirements for 2025: Admission to the Bachelor of Midwifery is now determined by a sequential two-stage process, including the requirement to participate in an online interview.

Selection for admission to the Bachelor of Midwifery comprises two essential weighted components:

1. ATAR or its equivalent (minimum threshold applies), and;
2. Multiple Mini Interview (MMI).

All applicants will be required to undertake a Multiple Mini Interview. Applicants will be required to attend an online multi station interview in November 2024. The interviews will assess applicants' suitability based on the following factors:

- Motivation to study and work in Midwifery;
- Ethics, professional and non-judgemental behaviour;
- Communication, interpersonal skills and empathy;
- Problem solving, adaptability and teamwork.

Once the minimum threshold ATAR is met MMIs will be assessed using objective criteria. Applicants will have an admission rank calculated from a combination of their weighted MMI score and academic ranking. Offers of places in the Bachelor of Midwifery program will then be made from the highest admission rank to the lowest until the available places have been allocated.

Completion of all components may not result in an applicant receiving an admission offer.

Note: Applications for 2025 entry close on the 31st October 2024.

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to these programs are described [below](#).

Credit and recognition of prior learning

Griffith University awards credit for prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information see [below](#).

Guaranteed Admission Scheme

This degree is excluded from the Guaranteed Admission Scheme.

Selection for admission to an undergraduate degree is made on the basis of academic merit.

Selection for admission is competitive as the number of applicants generally exceeds the places available. The minimum requirement for eligibility for admission is the completion of Year 12 of secondary school or equivalent academic achievement.

Prerequisites for admission may be specified in terms of levels of achievement in particular Year 12 subjects. Prerequisite conditions may be satisfied by other study or experience which is considered to be equivalent to the Year 12 prerequisites. More information is available on the [Prerequisites and Assumed Knowledge](#) website.

Further information for Queensland students completing an ATAR can be found [here](#).

Domestic applicants should apply for admission through the [Queensland Tertiary Admissions Centre \(QTAC\)](#).

Applicants who identify as Aboriginal and/or Torres Strait Islander should email medicine@griffith.edu.au for information regarding First Peoples Selection and Admissions Guidelines for Griffith Health Programs.

A summary of the student profile for this program can be found on the [QTAC website](#). The Rank profile is located on the **Student Profile** tab.

Important offer advice: Should you receive an offer into this program you will be required to enrol into classes* within a short timeframe. This information will be included in your Starting@Griffith email and expressed in the number of days from the day of issue of your email. For QTAC applicants this is inline with the offer response date in your offer email, however Griffith accepts close of business that day - 5pm (AEST). Please note that the number of days can vary depending on when the offer was made. This requirement applies to all applicants irrespective of how you applied and/or whether you accepted conditionally or unconditionally. If you do not enrol* into at least one class for your program by 5pm on the response day your offer will lapse. Lapsed offers are not automatically reinstated and are subject to available places.

*Enrolling into classes means that you are advising when you are attending class/es. Enrolment must be submitted.

Note: Applicants are not permitted to defer an offer. Should you be unable to accept an offer, you must re-apply for entry in the following year.

From 2020, Griffith students may not apply for the Bachelor of Midwifery program by submitting an internal transfer.

QTAC applications for Trimester 1-2024 close on 29 December 2023.

New applications lodged after 8 December 2023 may not be assessed in time for the January offer round. Applications for this program close on the 29 December 2023, so applicants may add this to their preferences until this date, however no guarantee is given that applications will be assessed in time for the January offer round. After 29 December 2023, no new applicants can apply, but existing applicants can reorder this preference.

What are the language requirements?

Language requirements

Applicants who hold registration with the Australian Health Practitioner Regulation Agency (AHPRA) as an Enrolled Nurse and who have completed a Diploma in Nursing from an accredited Australian Education Provider OR as a Registered Nurse meet the English language requirements.
