My attendance during the program

Attendance information

All students commencing in the Master of Social Work from July 2016 are required to attend at least 20 days on campus throughout their full period of study. This is a non-negotiable requirement of all AASW accredited social work programs in Australia. This can be achieved by attending the embedded **compulsory intensives** held at Gold Coast campus only in set courses throughout the program:

- **7060HSV Foundations of Social Work Practice** (10 days)*
- **7002HSV Applied Counselling** (5 days)
- **7063HSV Critical Reflective Practice in Social Work** (5 days)

* **7060HSV Foundations of Social Work Practice** must be completed in the first trimester of study. Students must pass this introductory course to continue in the program and undertake the first field placement course.

This program is offered in full-time and part-time mode. However, if you are intending to study part-time, it must be noted that the two field placements components of the program are to be completed within a full-time study load (at a minimum of three days per week).

On-campus elective courses may be offered at a campus other than a student's home campus. Students may be required to travel between campuses to complete some elective courses.
