My attendance during the program

Attendance information

The Bachelor of Business/Bachelor of Psychological Science is offered full-time and part-time on-campus at the Gold Coast, Mt Gravatt and Nathan campuses. You may choose to study courses at other campuses if or where the program structure allows.

As a full-time student you will generally attend 10-15 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week.

To complete this degree in 4 years, study in Trimester 3 may be required depending on your trimester of commencement and your nominated Major.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.
