

Bachelor of Biomedical Science (International students)

Program code 1094	Entry requirements 6.5 IELTS (Academic) (more)	Prerequisites Any General or Applied English subject (Units 3&4, C)
Available at Gold Coast Campus	CRICOS code 002535G	Assumed knowledge Mathematical Methods (Units 3&4, C) One of Biology, Chemistry, Physics (Units 3&4, C)
Duration 3 years full-time	Commencing in Trimester 1 and Trimester 2	Apply Now
Credit points 240		
Indicative fee \$34,000.00* per year (more) * 2022 indicative annual fee		

About this program

FUTURE-READY BIOMEDICINE.

Biomedical science helps society through applying new scientific knowledge to medicine and healthcare. In this degree, you will gain an understanding of health and the methods for diagnosing and treating disease.

You will receive excellent training for entry into the [Doctor of Medicine \(5099\)](#)* as well as a sound foundation for a career in biomedical research. You will develop knowledge and skills in the biological sciences and clinical sciences and understand how they can be applied to medicine, biomedical research and healthcare services. This program also provides opportunities for you to articulate into Masters degrees in health professions.

In your first year, you will be introduced to the basic sciences underpinning biomedical science. In your second and third years, you will explore more advanced aspects of the biomedical and clinical sciences, including genetics, biochemistry, cell biology, anatomy, physiology, immunology, microbiology, infectious disease, pharmacology and neuroscience. You will learn through hands-on, laboratory-based training in the biomedical sciences.

Honours is available through an additional year of study.

* *The Doctor of Medicine is an AQF Level 9 Masters Extended degree.*

Code	Program title	Campus	Intake
1094	Bachelor of Biomedical Science (this program)	Gold Coast	Trimester 1 and Trimester 2
2100	Bachelor of Biomedical Science (Honours)	Gold Coast	Trimester 1 and Trimester 2

Progression is dependent upon satisfying admission requirements.

My attendance during the program

Attendance information

The Bachelor of Biomedical Science is offered full-time on-campus at the Gold Coast campus.

As a full-time student you will generally attend 14-18 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week.

Students commencing in this program from Trimester 2 are required to complete core courses in Trimester 3.

Note: The Trimester 2 intake for this program will require students to undertake compulsory study in Trimester 3 in Year 1 of the program.

Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022. Please visit [Studying amid COVID-19](#) for more information.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

Additional attendance information

[2004MSC Pathology Techniques](#) is delivered with TAFE Queensland. Studies are conducted at Griffith University Gold Coast Campus and off campus at TAFE Queensland - Gold Coast as well as external workplaces. Note, there are limited places available for enrolment in this course.

My career opportunities

My career opportunities

You will be prepared for work in hospitals, health departments, medical research institutes, university and government research organisations, and in the pharmaceutical, diagnostic, biotechnology and other health-related industries.

As a graduate, you may also choose to pursue further study. You will be well placed to apply for our graduate entry medical degree, the Doctor of Medicine, or may choose to continue with postgraduate research or coursework study.

Professional recognition

Professional recognition

The following organisations recognise graduates of this award:

- [Australian and New Zealand Society for Cell and Development Biology \(ANZSCDB\)](#)
- [Australian Society for Biochemistry and Molecular Biology \(ASBMB\)](#)
- [Australasian Society for Human Biology \(ASHB\)](#)
- [Australian Society for Medical Research \(ASMR\)](#)
- [Australian Society for Microbiology \(ASM\)](#)

Pathways to further study

Pathways to further study

Completion of this program with a GPA of at least 5.0 will provide graduates with seamless entry into the [Master of Pharmacy \(5661\)](#).

Completion of this program with a GPA of at least 5.0 and grade 5 or higher in 3010MSC Advanced Anatomy and Physiology and a successful interview will provide graduates entry into the [Graduate Diploma of Clinical Physiology \(4168\)](#).

For articulations into other health professions such as [Master of Speech Pathology \(5567\)](#), [Master of Public Health \(5263\)](#), [Master of Rehabilitation Counselling \(5578\)](#), and Graduate Entry into [Bachelor of Nutrition and Dietetics \(1355\)](#); **entry requirements specific to each program will apply**. The Program Advisor for the Bachelor of Biomedical Science will provide guidance on these articulation pathways.

What are the fees?

International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Bachelor of Biomedical Science (1094)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.

Further information

- [Fees and Charges Policy:](#)
 - [Schedule B - Fees for International Students](#)
 - [Schedule G - Fees for Non-award and Continuing Education Students](#)
 - [Schedule I - Administrative and Miscellaneous Charges](#)
- [Cost of studying in Australia](#)

Additional fee information

Throughout your program you may be required to pay for the following items:

first aid certificate; immunisations; uniforms; expenses associated with placements such as travel and accommodation.
