About this program

You will gain the skills and knowledge in the physical, biomedical and psychological sciences that you will need to become an exercise specialist. You will learn the role of exercise in health maintenance and rehabilitation.

Students undertaking the professional practice placement course will have an opportunity to put their knowledge and skills into practice.

Honours is available through an additional year of study.

Code	Program title	Campus	Intake
1171	Bachelor of Exercise Science (this program)	Gold Coast	Trimester 1 and Trimester 2
2096	Bachelor of Exercise Science (Honours)	Gold Coast	Trimester 1 and Trimester 2

Progression is dependent upon satisfying admission requirements.

My attendance during the program

Attendance information

The Bachelor of Exercise Science is offered full-time on-campus at the Gold Coast campus.

As a full-time student, you will generally attend 16-22 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week.

This program includes compulsory study in Trimester 3 for students who commence in Trimesters 2 and 3.

Additional attendance information

3011AHS Fitness Practicum I and **3012AHS Fitness Practicum II** are delivered with TAFE Queensland. All studies are conducted off campus at TAFE Queensland - Gold Coast and at external workplaces. Note, there are limited places available for enrolment in these courses.

Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022. Please visit [Studying amid COVID-19](#) for more information.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

Work-integrated learning

Work-integrated learning activities (professional placements) integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in the degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

In this program you will spend time in the work/professional environment undertaking placements at various locations. Placements may be outside of the Brisbane metropolitan/Gold Coast area including northern New South Wales and (by negotiation) interstate or overseas.

My career opportunities

My career opportunities

You will be prepared for work as an exercise specialist for community or sports organisations as a clinical scientist specialising in cardiac; respiratory and sleep medicine; as a rehabilitation, sports or recreation manager; a strength and conditioning coach; or as an occupational health and safety officer.

Program accreditation

Program accreditation

The Bachelor of Exercise Science is accredited by [Exercise and Sports Science Australia \(ESSA\)](#).

Professional recognition

Professional recognition

Upon successful completion of the Bachelor of Exercise Science, graduates will be eligible to apply for Exercise Scientist accreditation with Exercise and Sports Science Australia (ESSA).

Graduates have two years following completion of their studies to submit their application to [Exercise and Sports Science Australia \(ESSA\)](#) for accreditation.

Placement requirements

Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the [Fit for Professional Practice website](#) for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

What are the fees?

International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved

program fee for the trimester in which the student is enrolled.

Program fees for the Bachelor of Exercise Science (1171)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
