

Bachelor of Nutrition and Dietetics (Domestic students)

Program code

1355

Available at

Gold Coast Campus

Duration

4 years full-time

or 4 years part-time + 2 years full-time

Credit points

320

Indicative fee

\$8,500.00* per year ([more](#))

* 2022 indicative annual CSP fee

Entry requirements

80.00

ATAR/RANK 2022

[\(more\)](#)

Commencing in

Trimester 1 and Trimester 2

Prerequisites

Any General or Applied English subject (Units 3&4, C)

Assumed knowledge

One of Biology, Chemistry or Mathematical Methods (Units 3&4, C)

How to apply

Can I apply?

Admission requirements

The University's [Undergraduate Programs Admission Policy](#) will apply.

Prior OP students: Applicants who graduated with an OP in or before 2019 can apply to Queensland Curriculum and Assessment Authority (QCAA) for an ATAR statement. For more information visit qcaa.qld.edu.au/senior/australian-tertiary-admission-rank-atar.

Students who require a refresher or who have not done Year 12 Chemistry or Mathematical Methods are **strongly recommended** to undertake a bridging course prior to commencing this program. For further information, please visit our [Bridging and Short Courses](#) website.

Graduate Entry (Trimester 1 entry only)

To be eligible for admission to the Graduate Entry pathway of the Bachelor of Nutrition and Dietetics, a student must have:

- successfully completed an approved university degree comprising the equivalent of 160 credit points of science courses which included completion of the following:
 - at least two chemistry courses (equivalent to a minimum of 20 credit points) followed by at least two second year level biochemistry courses (equivalent to a minimum of 20 credit points) AND
 - at least two human biology courses followed by at least two second year level physiology courses (equivalent to a minimum of 20 credit points) AND
 - at least one 10 credit point (or equivalent) nutrition course including content on nutrition science AND
 - at least one 10 credit point (or equivalent) food science course.

Please note: a maximum of 160CP will be awarded in credit for this program when entering via Graduate Entry

A thorough understanding of physiology and biochemistry is necessary for informed study of nutrition and dietetics and is specified as a requirement for Dietitians specified in the Dietitians Australia Accreditation process.

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to these programs are described [below](#).

Credit and recognition of prior learning

Griffith University awards credit for prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information see [below](#).

What is the application process?

How to apply

Bachelor of Nutrition and Dietetics

Selection for admission to an undergraduate degree is made on the basis of academic merit.

Selection for admission is competitive as the number of applicants generally exceeds the places available. The minimum requirement for eligibility for admission is completion of Year 12 of secondary school or equivalent academic achievement.

Prerequisites for admission may be specified in terms of levels of achievement in particular Year 12 subjects. Prerequisite conditions may be satisfied by other study or experience which is considered to be equivalent to the Year 12 prerequisites. More information is available on the [Prerequisites and Assumed Knowledge](#) website.

Further information for Queensland students completing an ATAR can be found [here](#).

Domestic applicants should apply for admission through the [Queensland Tertiary Admissions Centre \(QTAC\)](#).

Domestic applicants from NSW and ACT should apply for admission through the [Universities Admissions Centre \(UAC\)](#).

A summary of the student profile for this program can be found on the [QTAC website](#). The Rank profile is located on the [Student Profile](#) tab.

Note: This program currently only has a Trimester 1, 2022 intake. The University will consider opening a Trimester 2, 2022 intake after enrolment numbers are finalised for Trimester 1. Applicants who are interested in studying this program are encouraged to apply for the Trimester 1 intake as Trimester 2 is not guaranteed.

Bachelor of Nutrition and Dietetics - Graduate Entry (Trimester 1 entry only)

As there is a limited quota of places available for the Graduate Entry pathway, selection of candidates for admission will be determined by academic merit.

Applications for Trimester 1, 2022 intake will open in mid-July 2021.

Important offer advice: Should you receive an offer into this program you will be required to enrol into classes* within a short timeframe. This information will be included in your Starting@Griffith email and expressed in the number of days from the day of issue of your email. For QTAC applicants this is inline with the offer response date in your offer email, however Griffith accepts close of business that day - 5pm (AEST). Please note that the number of days can vary depending on when the offer was made. This requirement applies to all applicants irrespective of how you applied and/or whether you accepted conditionally or unconditionally. If you do not enrol* into at least one class for your program by 5pm on the response day your offer will lapse. Lapsed offers are not automatically reinstated and are subject to available places.

*Enrolling into classes means that you are advising when you are attending class/es. Enrolment must be submitted

You can apply [directly to Griffith University](#) for entry into this program.

Direct Admission for Graduate Entry Applicants Only

Apply online

Next intake (Gold Coast Campus)	Applications close
Trimester 1, 2022	Sunday, 13 February 2022
Orientation commences Monday, 7 March 2022

What are the language requirements?

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to this program are as

follows:

- A minimum overall band score of 7.0 on IELTS (Academic) with no sub-score of less than 6.5
- *OR* a minimum score of 580 on TOEFL
- *OR* an internet-based (iBT) TOEFL score of 92 (no score less than 22)
- *OR* no score less than 4 in each skill of the ISLPR (conducted by ISLPR Language Services only)
- *OR* a minimum overall score of 185 (no score less than 176) on C2 Proficiency (formerly Cambridge Certificate of Proficiency in English)

English test results must be no more than two years old.

The Direct Entry Program (DEP) pathway is not accepted for this program.

The above requirements are HIGHER than the requirements stipulated in University policy. Applicants should refer to the following policy for further information:

- [Undergraduate Programs Admission Policy](#)
