My attendance during the program

Attendance information

There are two modes of study for this program.

On-campus

The Bachelor of Human Services is offered full-time and part-time at the Gold Coast and Logan campuses. As a full-time on-campus student, you will generally attend 10-15 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week. The program includes a practical professional placement which sits in the third year of the program for which you must be available five working days each week. It is important to check course profiles and your timetable carefully to ensure that all course requirements are fully understood.

Distance Education

Students can enrol in the Distance Education offering of the program and **will be able to complete the program off-campus by distance learning via our online learning management system online with the exception of three compulsory five-day face-to-face intensive on-campus courses.**

As a full-time Distance Education student, you will study online which may include online coursework, readings, research, discussions and other course related study. You should check the minimum computer specifications for studying online and complete the short self-assessment test "Are you ready to study online?" (which can be found on the [New students](#) website) before considering applying for the Distance Education offering of this program.

Your compulsory attendance is in the form of one five day intensive course per year held at the Gold Coast campus as follows:

- [1008HSV Interpersonal Skills](#) (offered in T3 only)
- [2027HSV Group Facilitation](#) (offered in T3 only)
- [3020HSV Counselling Individuals and Families](#) (offered in T1 only)

Domestic students studying off-shore outside Australia will be required to attend the three compulsory face-to-face intensives on campus in Australia as part of designated courses in accordance with professional accreditation requirements.

Duration options

Students may undertake an accelerated pathway enabling completion of the Bachelor of Human Services in a shorter timeframe (2-2.5 years full-time). Students who undertake the accelerated pathway will be required to study full-time and complete 40 credit points each trimester including Trimester 3.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

Work-integrated learning

Work-integrated learning activities (professional placements) integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in the degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

In this program, you will spend 400 hours (four days per week) in the work/professional environment during trimester six of the full-time program or equivalent. Placements may be outside of the Brisbane metropolitan/Gold Coast area including Northern New South Wales and (by negotiation) interstate or overseas.
