About this program

This degree will put you on the path to a career in the pharmaceutical, biotechnology or nutraceutical industries.

You will learn through hands-on experience in state-of-the-art facilities (formulation, pharmacology and analytical laboratories) and during professional practice placements at the new Gold Coast University Hospital and other clinical settings.

You will take specialist courses in areas such as pharmacy management, complementary and alternative medicine, and pharmacology.

Pharmacy at Griffith is ranked #1 by the [Good Universities Guide 2023/24](#) for Overall Experience, Teaching Quality, and Student Support in Australia.

Code	Program title	Campus	Intake
1395	Bachelor of Pharmacy (this program)	Gold Coast	Trimester 1 and Trimester 2
1614	Bachelor of Pharmacy (Honours)	Gold Coast	Trimester 1 and Trimester 2

Progression is dependent upon satisfying eligibility requirements.

My attendance during the program

Attendance information

This program is offered full-time and part-time on-campus and in-person mode at the Gold Coast campus

As a full-time student you will generally attend 22-24 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

Work-integrated learning

Work-integrated learning activities (professional placements) integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in the degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

In Year 3, you are required to undertake unpaid placements which require full-time attendance at a pharmaceutical workplace on a few occasions. Some placements may be outside the Gold Coast area. Opportunities for rural and international placements also exist. Total work placement (hours): 145.

My career opportunities

My career opportunities

You will be prepared for a career in community and hospital pharmacy, and medication management. You may also have the opportunity for careers in the pharmaceutical, biotechnology, nutraceutical and related industries in areas including management, sales, marketing, business development, and local and national government agencies related to medicine use and regulation.

Program accreditation

Program accreditation

The Bachelor of Pharmacy is accredited by the [Australian Pharmacy Council \(APC\)](#).

Professional recognition

Professional recognition

Graduates of this program will be eligible to apply for registration with the Pharmacy Board of Australia via the Australian Health Practitioners Regulation Agency (AHPRA) subject to meeting any additional requirements that may be stipulated by the Pharmacy Board of Australia. As these requirements may change from time to time, students should contact [AHPRA](#) to confirm registration requirements.

Placement requirements

Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the [Health Placement Support Hub](#) for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

Pathways to further study

Pathways to further study

Graduates of the Bachelor of Pharmacy may have the opportunity to undertake a Research Honours program.

What are the fees?

Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.
- [Find out more...](#)

Fee-paying undergraduate (domestic) students

These fees are only applicable to domestic students who are not Commonwealth supported including:

- Full-fee paying domestic students who commenced their program prior to 2009.
- International students who have been approved to pay domestic tuition fees after obtaining Australian or New Zealand citizenship or permanent residency or a permanent humanitarian visa and who have not obtained a Commonwealth supported place.

Tuition fees

- A fee-paying undergraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee is charged according to the approved program fee for the trimester in which the student is enrolled.
- [Find out more...](#)

FEE-HELP

Eligible undergraduate fee-paying students may defer their tuition fees by taking out a FEE-HELP loan which is part of the Higher Education Loan Program (HELP). Payment of the loan is via the taxation system when income reaches a specified level.
