### About this program

You will gain a strong foundation in the physical and biomedical sciences, as well as practical business and management skills and knowledge. You will develop an understanding of how both our bodies and the sports industry work.

You will undertake a professional practice placement as part of this degree.

### My attendance during the program

#### Attendance information

This program requires compulsory study in Trimester 3 for students who commence in Trimesters 2 and 3.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

#### Work-integrated learning

Work-integrated learning activities (professional placements) integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in the degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life, while meeting Exercise and Sports Science Australia (ESSA) accreditation requirements.

In this program students will spend time in the work/professional environment undertaking placements at various locations throughout Australia. Placements may be outside of the Brisbane metropolitan/Gold Coast area including New South Wales, interstate or overseas. Total work placement hours are 140hrs over one Trimester of study.

### My career opportunities

#### My career opportunities

You may find opportunities in sports and recreation management, sports science and high performance management, events

management and recreational club management.

## Program accreditation

### Program accreditation

The Bachelor of Exercise Science is accredited by Exercise and Sports Science Australia ([ESSA](#)).

## Professional recognition

### Professional recognition

Enrolled students and graduates of this program will be eligible to apply for registration with [Exercise and Sports Science Australia \(ESSA\)](#) subject to meeting any additional requirements that may be stipulated by ESSA. As these requirements may change from time to time, students should contact ESSA to confirm registration requirements.

The Sport Management major provides eligibility for admission to the Sports Management Association of Australia and New Zealand.

## Placement requirements

### Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the [Health Placement Support Hub](#) for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

## Pathways to further study

### Pathways to further study

High achieving students who successfully complete this program may be eligible to apply for entry to the [Bachelor of Exercise Science \(Honours\) \(2096\)](#).

## What are the fees?

### Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.

### Fee-paying undergraduate (domestic) students

These fees are only applicable to domestic students who are not Commonwealth supported including:

- Full-fee paying domestic students who commenced their program prior to 2009.
- International students who have been approved to pay domestic tuition fees after obtaining Australian or New Zealand citizenship or permanent residency or a permanent humanitarian visa and who have not obtained a Commonwealth supported place.

#### Tuition fees

- A fee-paying undergraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee is charged according to the approved program fee for the trimester in which the student is enrolled.
- [Find out more...](#)

#### FEE-HELP

Eligible undergraduate fee-paying students may defer their tuition fees by taking out a FEE-HELP loan which is part of the Higher Education Loan Program (HELP). Payment of the loan is via the taxation system when income reaches a specified level.
