About this program

EXERCISE YOUR TALENTS.

This is your opportunity to turn your passion for sport into your profession - one with strong employment prospects. Taught on the Gold Coast in world-class facilities, this degree lets you learn the ins and outs of sport development and how to design, deliver and manage recreation activities for the broader community.

Four main areas of study make up this degree: sport science, sport management and marketing, health promotion and sports coaching. You'll also study the specialist field of community development through sport which is all about increasing participation in sport through the design of sport systems and pathways to attract, retain and nurture participants.

Industry and expert connections

You'll gain intensive knowledge of both the academic and applied aspects of sport, health and fitness. You'll also complete the kind of studies industry have told us are key - physiology, biomechanics, sport psychology, sociology, sports management, sport policy, fitness and sports coaching. You'll also complete an 80-hour internship with an industry expert, letting you put your skills and knowledge into practice in an authentic environment.

As part of your degree, you can experience several industry placements with experts in the field, letting you put your skills and knowledge into practice in an authentic environment.

Graduate outcomes

This degree builds upon Griffith's strong reputation in sport science with sport development delivered by award-winning and highly qualified staff in world-class facilities. Graduates will be prepared for a range of careers in community sport and recreation along with roles in professional sporting organisations.

Honours is available for this degree with an extra year of study.

Flexibility

Tailor your timetable - Even if you study full-time on-campus, you may still be able to customise your degree to suit your needs. From a range of tutorial times to online access to lectures and other course material, we're here to help you fit study in with your work and life commitments.

Code	Program title	Campus	Intake
1493	Bachelor of Sport Development (this program)	Gold Coast	Trimester 1 only
1615	Bachelor of Sport Development/Bachelor of Business	Gold Coast	Trimester 1 and Trimester 2
2120	Bachelor of Sport Development (Honours)	Gold Coast	Trimester 1 and Trimester 2

Progression is dependent upon satisfying admission requirements.

My attendance during the program

Attendance information

This program is offered in full-time on-campus at the Gold Coast.

The program incorporates 80 hours of compulsory work-integrated learning (WIL) in community sport and recreation facilities within the course **3434AHS Sport Development Practicum**.

Additional attendance information

3011AHS Fitness Practicum I and **3012AHS Fitness Practicum II** are delivered with TAFE Queensland. All studies are conducted off campus at TAFE Queensland - Gold Coast and at external workplaces. Note, there are limited places available for enrolment in these courses.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

Work-integrated learning

Work-integrated learning activities integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in this degree program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

Work integrated learning in this program is undertaken in the 10 credit point core course **3434AHS Sport Development Practicum** which is completed in Year 3 of the program and will be managed within School and Health Group policies and processes. Students will complete 80 hours of compulsory fieldwork (WIL).

Placement requirements

Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the **Health Placement Support Hub** for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

What are the fees?

International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Bachelor of Sport Development (1493)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
