### About this program

This degree provides a pathway to a career in pharmacology, toxicology or drug research, pharmaceutical, biotechnology and other health industries. The degree's focus on pharmacology will provide you with an excellent foundation if you are considering a degree in one of the following areas:

- Pharmacy: [Bachelor of Pharmacy \(1395\)](#) | [Master of Pharmacy \(5661\)](#)
- Medicine: [Doctor of Medicine \(5099\)](#)
- Dentistry: [Bachelor of Dental Health Science \(1577\)](#)
- Medical Research: [Master of Medical Research \(5626\)](#)

You will learn through extensive hands-on experience in state-of-the-art facilities including formulation, pharmacology and analytical laboratories and you can select one of the following majors:

- Pre-Clinical
- Pharmaceutical Industry

**Honours** is available through an additional year of study.

Pharmacy at Griffith is ranked #1 by the [Good Universities Guide 2023/24](#) for Overall Experience, Teaching Quality, and Student Support in Australia.

Code	Program title	Campus	Intake
1528	Bachelor of Pharmacology and Toxicology (this program)	Gold Coast	Trimester 1 and Trimester 2
2118	<a href="#">Bachelor of Pharmacology and Toxicology (Honours)</a>	Gold Coast	Trimester 1 and Trimester 2

Progression is dependent upon satisfying admission requirements.

### My attendance during the program

#### Attendance information

This program is to be offered full-time on-campus at the Gold Coast campus using the in-person mode of delivery each trimester.

As a full-time student you will generally attend 22-24 hours of scheduled classes per week throughout the trimester. Classes may be scheduled during the day and evening throughout the week.

Students commencing in this program from Trimester 2 are required to complete core courses in Trimester 3.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete

your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

## My career opportunities

### My career opportunities

You will be prepared for professional employment in a wide variety of public and private sector positions such as Regulatory Scientist; Regulatory Affairs Specialist; Pharmaceutical Sales Representative; Medical Science Liaison; Medical Science Liaison (MSL) - Haematology; Clinical Trials Monitor; Product Manager; Pharmacy Assistant; Pharmacy Technician; Research Assistant; Research Technician; Laboratory Support Technician; Environmental Scientist; Research and Development Scientist; Formulation Chemist.

## Placement requirements

### Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the **Health Placement Support Hub** for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

## Pathways to further study

### Pathways to further study

Students who successfully complete this program will be eligible to apply for entry to the **Bachelor of Pharmacology and Toxicology (Honours) (2118)** and the **Master of Pharmacy (5661)** provided Grade Point Average (GPA) requirements are met.

## What are the fees?

### International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

### Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

### Program fees for the Bachelor of Pharmacology and Toxicology (1528)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

### Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

### Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the

student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.

#### Further information

- [Fees and Charges Procedure](#)
  - 3.6 - Fees for International Students
  - 3.9 - Administrative and Miscellaneous Charges
  - [Fees and Charges Schedules](#)
- [Cost of studying in Australia](#)

#### Additional fee information

Throughout your program you may be required to pay for the following items:

first aid certificate; immunisations; uniforms; expenses associated with placements such as travel and accommodation.
