Selection for admission is competitive as the number of applicants generally exceeds the places available. The minimum requirement for eligibility for admission is the completion of Year 12 of secondary school or equivalent academic achievement.

Prerequisites for admission may be specified in terms of levels of achievement in particular Year 12 subjects. Prerequisite conditions may be satisfied by other study or experience which is considered to be equivalent to the Year 12 prerequisites. More information is available on the Prerequisites and Assumed Knowledge website.

Further information for Queensland students completing an ATAR can be found here.

Domestic applicants should apply for admission through the Queensland Tertiary Admissions Centre (QTAC).
