

Bachelor of Science/Bachelor of Business (Domestic students)

Program code	Entry requirements	Prerequisites
1572	63.00	NIL
Available at	ATAR/RANK 2024	Assumed knowledge
Gold Coast Campus, Nathan Campus	(more)	Any General or Applied English subject (Units 3&4, C)
Duration	Commencing in	General Mathematics or Mathematical Methods (Units 3&4, C)
4 years full-time	Trimester 1, Trimester 2 and Trimester 3	
8 years part-time		
Credit points		
320		
Indicative fee		
\$11,500.00* per year (more)		
* 2024 indicative annual CSP fee		

About this program

This double degree prepares students for scientific practice or for business and management roles in technical, regulatory, environmental, health or biomedical oriented businesses, industries or government organisations.

Students choose from a range of science and business majors in accordance with their interests and career plans.

Science majors

- Applied Mathematics
- Biochemistry and Molecular Biology
- Chemistry
- Clinical Sciences - available to Domestic students only
- Geography
- Marine Biology
- Microbiology
- Physics
- Wildlife Biology
- Archaeology (from 2021)

Business majors

- Asian Engagement
- Behavioural Science
- Business Analytics
- Economics
- Employment Relations
- Events
- Finance
- Financial Crime Investigation and Compliance
- Government and International Relations
- Human Resource Management
- Innovation and Entrepreneurship
- Logistics and Supply Chain Management
- Management
- Marketing
- Real Estate and Property Development
- Sport Management
- Sustainable Business
- Taxation
- Tourism and Travel

Graduates have a broad understanding of science foundations and business principles.

My attendance during the program

Attendance information

The Bachelor of Science/Bachelor of Business is offered full-time and part-time on-campus at Nathan and the Gold Coast.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

My career opportunities

My career opportunities

Depending on your major, you will be prepared to work in jobs such as business analyst; business consultant; manager; researcher; entrepreneur in allied health; biotechnology; biostatistics; marine and wildlife management; tourism.

Program accreditation

Program accreditation

The **Bachelor of Science (with the Chemistry major)** is accredited by the Royal Australian Chemical Institute (RACI).

The **Bachelor of Science (with the Physics major)** is accredited by the Australian Institute of Physics (AIP).

Professional recognition

Professional recognition

As a graduate of the **Bachelor of Science**, you will (depending upon your major) be eligible for membership of the following professional bodies:

- [Ausbiotech Limited](#)
- [Australian Mathematical Society](#)
- [Australian and New Zealand Society for Cell and Development Biology](#)
- [Australian Institute of Food Science and Technology](#)
- [Australian Society for Biochemistry and Molecular Biology](#)
- [Australian Society for Medical Research](#)
- [Australian Society of Plant Scientists](#)
- [Royal Australian Chemical Institute](#)
- [Australian Institute of Physics](#)

What are the fees?

Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.
- [Find out more...](#)

Fee-paying undergraduate (domestic) students

These fees are only applicable to domestic students who are not Commonwealth supported including:

- Full-fee paying domestic students who commenced their program prior to 2009.
- International students who have been approved to pay domestic tuition fees after obtaining Australian or New Zealand citizenship or permanent residency or a permanent humanitarian visa and who have not obtained a Commonwealth supported place.

Tuition fees

- A fee-paying undergraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee is charged according to the approved program fee for the trimester in which the student is enrolled.
- [Find out more...](#)

FEE-HELP

Eligible undergraduate fee-paying students may defer their tuition fees by taking out a FEE-HELP loan which is part of the Higher Education Loan Program (HELP). Payment of the loan is via the taxation system when income reaches a specified level.

- [Higher Education Loan Program \(HELP\)](#)
