Degree requirements: Students who started Trimester 1 - 2024

For the award of *Bachelor of Dental Technology (BDentTech)*, you must successfully complete 240 credit points as specified in the course list.

Placement requirements

You must successfully complete:

- a recognised first aid certificate with CPR (at your own expense) by the end of the first trimester in Year 1 - certificates that expire during the program must be renewed;
- 2 weeks (80 hours) work experience independent of the laboratory practice completed on site within the school - the work experience must be approved by the school and can commence from Year 1/Trimester 2 and must be completed by Year 3/Trimester 2.

This degree may be awarded **with Distinction** where a student achieves a minimum program GPA of 6.5 with no failed courses. The words "This award was achieved with Distinction" will be recorded on the testamur.

Designated courses for the purposes of exclusion

The following courses within the program are designated for the purposes of exclusion. The Dean and Head of School will carefully monitor any instances of exclusion. The designated courses are as follows:

Trimester	Course code	Course title	CP
