What is the application process?

How to apply

Selection for admission to an undergraduate degree is made on the basis of academic merit.

Selection for admission is competitive as the number of applicants generally exceeds the places available. The minimum requirement for eligibility for admission is the completion of Year 12 of secondary school or equivalent academic achievement.

Prerequisites for admission may be specified in terms of levels of achievement in particular Year 12 subjects. Prerequisite conditions may be satisfied by other study or experience which is considered to be equivalent to the Year 12 prerequisites. More information is available on the [Prerequisites and Assumed Knowledge](#) website.

Further information for Queensland students completing an ATAR can be found [here](#).

Domestic applicants should apply for admission through the [Queensland Tertiary Admissions Centre \(QTAC\)](#).

A summary of the student profile for this program can be found on the [QTAC website](#). The Rank profile is located on the **Student Profile** tab.
