What is the application process?

How to apply

QTAC applications for Trimester 1-2024 close on 29 December 2023.

New applications lodged after 8 December 2023 may not be assessed in time for the January offer round. Applications for this program close 29 December 2023, so applicants may add this program to their preferences until this date, however no guarantee is given that applications will be assessed in time for the January offer round. After 29 December 2023, no new applicants can apply, but existing applicants can reorder this preference. Late offers after the January offer round will only be made if places remain in the program.

Selection for admission is competitive as the number of applicants generally exceeds the places available. The minimum requirement for eligibility for admission is the completion of Year 12 of secondary school or equivalent academic achievement.

Prerequisites for admission may be specified in terms of levels of achievement in particular Year 12 subjects. Prerequisite conditions may be satisfied by other study or experience which is considered to be equivalent to the Year 12 prerequisites. More information is available on the [Prerequisites and Assumed Knowledge](#) website.

Further information for Queensland students completing an ATAR can be found [here](#).

Domestic applicants should apply for admission through the [Queensland Tertiary Admissions Centre \(QTAC\)](#).

A summary of the student profile for this program can be found on the [QTAC website](#). The Rank profile is located on the **Student Profile** tab.

Important offer advice: Should you receive an offer into this program you will be required to enrol into classes* within a short timeframe. This information will be included in your Starting@Griffith email and expressed in the number of days from the day of issue of your email. Please note that the number of days can vary depending on when the offer was made. This requirement applies to all applicants irrespective of how you applied and/or whether you accepted conditionally or unconditionally. If you do not enrol* into at least one class for your program by 5pm on the response day your offer will lapse. Lapsed offers are not automatically reinstated and are subject to available places.

*Enrolling into classes means that you are advising when you are attending class/es. Enrolment must be submitted.

Note: Applicants are not permitted to defer an offer. Should you be unable to accept an offer, you must re-apply for entry in the following year.
