1605	6.5	NIL
<b>Available at</b> Gold Coast Campus, Nathan Campus	IELTS (Academic) ( <a href="#">more</a> )	<b>Assumed knowledge</b> Any General or Applied English subject (Units 3&4, C)
<b>Duration</b> 4 years full-time	<b>CRICOS code</b> 099120G	General Mathematics or Mathematical Methods (Units 3&4, C)
<b>Credit points</b> 320	<b>Commencing in</b> Trimester 1, Trimester 2 and Trimester 3	<a href="#">Apply Now</a>
<b>Indicative fee</b> \$36,500.00* per year ( <a href="#">more</a> ) * 2024 indicative annual fee		

### About this program

As digital disruption becomes a reality, the ability to analyse vast quantities of data to extract relevant intelligence for commercial planning is a highly sought after skill. By combining these degrees, you will gain crucial skills in data science that they will be able to apply to business and commercial scenarios; helping to future-proof their careers. You'll gain the skills to analyse, manipulate, model and interpret large data sets using digital platforms and tools, including Python, Tableau, Hadoop and SQL. You will be able to apply these specialised skills to your business major to uncover patterns and generate valuable insights into business operations and decision making.

Through the Bachelor of Business you will gain a solid foundation in all aspects of business and develop an understanding of the social, cultural and political dimensions of business. You will enhance this knowledge with further expertise and experience by completing a major.

#### Business majors

- Accounting - Extended major

- International Business - Extended major
- Logistics and Supply Chain Management
- Management
- Marketing
- Real Estate and Property Development
- Sport Management
- Sustainable Business
- Taxation
- Tourism and Travel

### My attendance during the program

#### Attendance information

This program is offered full-time at the Nathan and Gold Coast campuses. Some courses are also available online. You may choose to study courses at other campuses where the program structure allows.

As a full-time student, you will generally attend 12-15 hours of scheduled classes per week throughout the trimester.

Classes may be scheduled during the day and evening throughout the week.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

### **Work-integrated learning**

Work-integrated Learning experiences are provided through a number of special purpose internship courses as well as through guest lectures, field trips, case study analysis, problem-solving of industry scenarios and policy analysis and development.

To gain hands-on experience in international markets students can take an internship with an international company or government agency, conduct market research in a target export or investment country, join a multinational company offshore on an internship, or prepare an export marketing plan for a product or service, or a development plan for a new product.

## **My career opportunities**

### **My career opportunities**

With combined qualifications in business and data science, you could find employment opportunities across a range of industries where you will develop data driven solutions for real-world issues in your chosen major.

## **Program accreditation**

### **Program accreditation**

Depending on the major you complete, you can graduate with a degree accredited by:

Accounting major: **Chartered Accountants Australia and New Zealand (CA ANZ)** and **CPA Australia**.

Financial Planning major: **Financial Adviser Standards (FAS)**.

## **What are the fees?**

### **International students**

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

### **Indicative annual tuition fee**

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

### **Tuition fees**

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

### **Program fees for the Bachelor of Business/Bachelor of Data Science (1605)**

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

### **Changing programs**

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

### **Permanent resident status**

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Fees and Charges Procedure](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
