### About this program

You'll learn about sport development, business management and delivering recreation activities in the community. This degree explores four main streams of study: sport and exercise science; business, sport management and marketing; health promotion; and sports coaching.

You'll also study the specialist field of community development through sport which is concerned with increasing participation in sport through the design of sport systems and pathways to attract, retain and nurture participants. You'll gain comprehensive knowledge of the academic and applied aspects of sport, health and fitness while developing business management skills to prepare you for a wide range of career opportunities. You'll also undertake studies in physiology, biomechanics, sport psychology, sociology, sports management, event management, fitness and sports coaching.

**Honours** is available through an additional year of study.

### My attendance during the program

#### Attendance information

This program will be offered full-time and part-time on-campus at the Gold Coast campus.

Students commencing in this program from Trimester 2 are required to complete core courses in Trimester 3.

The courses 3011AHS Fitness Practicum I and 3012AHS Fitness Practicum II are offered off-campus and students are required to attend on-campus at the Gold Coast Institute of TAFE. By successfully completing these two courses, students obtain a Certificate III in Fitness and Certificate IV in Fitness.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

## Work-integrated learning

Work-integrated learning activities integrate theoretical learning with its application in the workplace. The inclusion of work-integrated learning activities in this program demonstrates Griffith's commitment to preparing its graduates for success in their working life.

Work integrated learning in this program is undertaken at two stages during the program in the 10 credit point core courses 1313AHS Sport Development I and 3434AHS Sport Development Practicum. 3434AHS is completed in Year 4 of the program as the capstone course and will be managed within School and Health Group policies and processes. Students will complete an 80 hour internship (WIL).

## My career opportunities

### My career opportunities

This program will prepare graduates for employment in community sport and recreation including health promotion officers, development officers within amateur and professional sporting organisations, program staff and managers at sport and recreation centres and resorts, executive officers with national and state sporting organisations, event managers/coordinators, and sport marketing and media officers.

## Placement requirements

### Professional Practice requirements

There are placements associated with this program and before undertaking professional experience placements, all students in this program are required to have completed the following by the end of their first trimester of study:

- Vaccinations and Health Tests
- Licenses and Certificates
- Online Training
- Health Placement Requirements

Students should refer to the **checklist of professional practice requirements for their Health discipline** on the [Health Placement Support Hub](#) for full details of the requirements regarding professional placement to ensure that they meet eligibility for placement.

## What are the fees?

### International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

### Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

### Program fees for the Bachelor of Sport Development/Bachelor of Business (1615)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

### Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

### Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
