For Domestic and those International students not required to complete the English Language Enhancement course

For the award of *Bachelor of Biotechnology (BBiotech)*, you must successfully complete 240 credit points, made up of core courses AND

- 40 credit points of elective courses.

For International students required to complete the English Language Enhancement course

For the award of *Bachelor of Biotechnology (BBiotech)*, you must successfully complete 240 credit points, made up of core courses AND

- 10 credit points for the English Language Enhancement course (5903LHS); AND
- 30 credit points of elective courses.

Other program requirements

You must successfully complete:
