What is the application process?

How to apply

An international student is a person who is not Australian citizen, a New Zealand citizen, a Pacific Engagement visa holder or the holder of a permanent resident/humanitarian visa.

This program is available to International students for **study in Australia at Griffith University**.

International students applying to study on-campus in Australia will require a student visa or another type of visa which does not preclude them from studying in Australia.

You can apply for admission [online](#) OR via a Griffith University [registered agent](#).

There are limited places available for this program. Selection for admission is competitive as the number of applicants generally exceeds the places available.

Confirmation of a place in this program will be sent to applicants, when they have accepted the offer, and met all conditions listed in the offer. When the limit is reached and there are no available places, applicants will be notified that the program is full.

Applicants awarded an offer are not permitted to defer an offer and should reapply for the next available intake.

Applicants awarded a confirmed place are not permitted to defer or change campus. Should you be unable to arrive on time to commence this program, you must re-apply for entry in the next available intake.
