### My attendance during the program

#### Attendance information

This degree is offered full-time and part-time at the Nathan, Gold Coast and Digital campuses. You may choose to study courses on-campus, online or a combination of modes to suit your requirements. You may also choose to study courses at other campuses if or where the program structure allows.

Online students will be able to access course materials, participate in learning activities, lodge assessment items and access support services via [Learning@Griffith](mailto:Learning@Griffith). There is no requirement for on-campus attendance but access to a reliable computer with an internet connection is essential.

As a full-time student, you will generally attend 12-15 hours of scheduled classes per week throughout the trimester. As a part-time student, you will generally attend 6-8 hours of scheduled classes per week.

Classes may be scheduled during the day and evening throughout the week.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

## My career opportunities

### My career opportunities

Not only will you acquire the essential skills for a successful career in finance, economics and accounting but you'll also be prepared for diverse employment opportunities in various sectors. Whether it's contributing to public infrastructure projects, enhancing operations in hospitals, managing finances in retail, or working with government bodies and non-profit organisations, your versatile knowledge, modelling, and analytical skills will be applicable across a wide array of industries.

## What are the fees?

### Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.

### Fee-paying undergraduate (domestic) students

These fees are only applicable to domestic students who are not Commonwealth supported including:

- Full-fee paying domestic students who commenced their program prior to 2009.
- International students who have been approved to pay domestic tuition fees after obtaining Australian or New Zealand citizenship or permanent residency or a permanent humanitarian visa and who have not obtained a Commonwealth supported place.

### Tuition fees

- A fee-paying undergraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee is charged according to the approved program fee for the trimester in which the student is enrolled.
