

## Bachelor of Information Technology (Honours) (International students)

### Program code

2020

### Available at

Gold Coast Campus, Nathan Campus

### Duration

1 year full-time

### Credit points

80

### Indicative fee

\$37,000.00\* per year ([more](#))

\* 2024 indicative annual fee

### Admission requirements

Related Bachelor degree with 5.0 GPA

over second and third year

([more](#))

### CRICOS code

027993J

### Commencing in

Trimester 1 and Trimester 2

[Apply Now](#)

## About this program

The program aims to bring students to a level of maturity in their understanding and practice of scholarly work within the Computing and Information Technology area, as well as providing training in the techniques, skills and theoretical background necessary for subsequent postgraduate research.

## My attendance during the program

### Attendance information

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

## My career opportunities

### My career opportunities

The Honours program provides you with high level research and problem-solving skills and is a proven pathway to PhD studies. You'll also be qualified for higher degree by research studies and scientific research in Australia and overseas.

- **Key employment sectors:**
  - Computer security
  - IT support
  - Software
  - IS architecture design
- **Potential job outcomes:**
  - IT support manager
  - Software developer
  - Software engineer
  - Network designer
  - Business analyst

## Professional recognition

### Professional recognition

As a graduate, you will be eligible for membership of the [Australian Computer Society](#).

## What are the fees?

### International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

#### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

#### Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

#### Program fees for the Bachelor of Information Technology (Honours) (2020)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

#### Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

#### Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
