## About this program

This Honours program has been designed to enable students who have demonstrated substantial ability at an undergraduate level to develop advanced levels of studio practice, supporting theory and an advanced level of research understanding.

While studying Design (Honours), you'll have the ability to choose a project or topic that you're passionate about and have the space and access to studios, software and equipment to explore that further.

### Graduate outcomes

Our design graduates will have unprecedented opportunity to contribute and lead in vital new forms of social and economic development. Designers work across a range of fields roles, including interior design, product and service design and graphic design as well as interactive and 4D design.

### Tailor your timetable

Even if you study full-time on-campus, you may still be able to customise your degree to suit your needs. From a range of tutorial times to online access to lectures and other course material, we're here to help you fit study in with your work and life commitments.

## My attendance during the program

### Attendance information

#### Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022, for four weeks. Please visit [Studying amid COVID-19](#) for more information.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

## My career opportunities

### My career opportunities

You will be able to work in corporate and brand design for print, web, publishing, advertising and digital media. You will have the skills needed to work in design for social change, culture and education.

## Professional recognition

### Professional recognition

Graduates will have immediate associate membership of the [Design Institute of Australia \(DIA\)](#) and full membership will be available after two years of industry practice.

## What are the fees?

### Commonwealth supported students

- The fee is indicative of an annual full-time load (80 credit points) in a program categorized to one of the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets [student contribution amounts](#) on an annual basis.

### Fee-paying undergraduate (domestic) students

These fees are only applicable to domestic students who are not Commonwealth supported including:

- Full-fee paying domestic students who commenced their program prior to 2009.
- International students who have been approved to pay domestic tuition fees after obtaining Australian or New Zealand citizenship or permanent residency or a permanent humanitarian visa and who have not obtained a Commonwealth supported place.

### Tuition fees

- A fee-paying undergraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee is charged according to the approved program fee for the trimester in which the student is enrolled.
