Course list: Students starting Trimester 1 - 2025

Course offering information in program structures is a guide only. Please check the actual offering information in the Course Catalogue.

Note: Students must check the prerequisite and incompatible requirements before selecting any course within this program.

The thesis component of the Bachelor of Film and Screen Media Production (Honours) degree is comprised of a supervised (studio-based) Honours Research Project which is accompanied by a 5000 word (or equivalent) exegesis. These two (combined) components are equivalent to 20000-25000 words.

Although in the majority of cases the thesis will be expressed visually, students may seek (with the approval of the Program Director) to submit their thesis in an alternate form (text, script, storyboard, performance etc). In rare instances and with the approval of the Program Director, it may be appropriate for students to present the exegetical component in a format other than text.
