### Degree requirements: Students who started Trimester 1 - 2023

To be eligible for the *Bachelor of Biomedical Science (Honours) [BBiomedSc(Hons)]*, a student must acquire 80 credit points as prescribed below:

- gain 20 credit points for the prescribed courses
- gain 10 credit points for the elective
- successfully complete the 50 credit point dissertation.

Note: The minimum period required to complete the degree is one year and the maximum time for completing the degree is three years inclusive of periods of leave of absence, termination or exclusion.

### Honours

#### Classification of Honours

This degree with Honours may be awarded in the following classes:

- Class I Honours
- Class IIA Honours
- Class IIB Honours
- Class III Honours

The class of Honours to be awarded to each student in this degree will be determined by the relevant Assessment Board on the basis of a Program GPA and a minimum percentage for the Dissertation as outlined in the [Dissertation Management Procedure](#).

### Australian Qualifications Framework (AQF) Level and Type

The [Australian Qualifications Framework](#) (AQF) is the national policy for regulated qualifications in Australian education and training. This qualification is accredited as an AQF Level 8 - Bachelor Honours Degree.

### Program learning outcomes

#### Program learning outcomes

[Program Learning Outcomes](#) communicate to the community the value of the Griffith educational experience as benchmarked against national qualification standards.

[Program Learning Outcomes for this award](#) describe the knowledge, skills and the application of knowledge and skills you will acquire through studying the Griffith program of your choice.

### Course list: Students starting Trimester 1 - 2023
