Admission requirements

The University's **Bachelor Honours Degree (AQF Level 8) Policy** will apply.

The criteria for admission to this Honours program are:

- successful completion of the Griffith Bachelor of Biomedical Science or an equivalent qualification from another university and
- a GPA of at least 5.0 over the second and third year of the Bachelor degree.

The Program Director will take the following into consideration when assessing applications for admission:

- the suitability of the proposed dissertation topic, the resources available to support the candidature and the availability of appropriate supervision and
- the preparedness of the applicant to undertake the degree in terms of the elapsed time since the prospective candidate qualified for the award of a Bachelor degree and the academic preparation provided by the Bachelor degree for the candidate's proposed dissertation topic.

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to these programs are described below.

Credit and recognition of prior learning

Griffith University awards credit for prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information see below.

What is the application process?

How to apply

An international student is a person who is not Australian citizen, a New Zealand citizen, a Pacific Engagement visa holder or the holder of a permanent resident/humanitarian visa.

This program is available to International students for **study in Australia at Griffith University**.

International students applying to study on-campus in Australia will require a student visa or another type of visa which does not preclude them from studying in Australia.

You can apply for admission online OR via a Griffith University registered agent.
