About this program

This program addresses planning issues that are central to contemporary planning practice. It broadens and deepens your professional understanding of both practical and theoretical responses to planning challenges in areas that include environmental, development, land use, transport, policy and strategic planning. The program is suitable for para-professionals in planning and allied fields.

Code	Program title	Campus	Intake
3216	Graduate Certificate in Urban and Environmental Planning (this program)	Nathan	Trimester 1 and Trimester 2
5576	Master of Urban and Environmental Planning	Nathan	Trimester 1 and Trimester 2

Note: Progression through this program suite is dependent upon satisfying admission requirements.

My attendance during the program

Attendance information

This Graduate Certificate is offered full-time and part-time on Nathan campus.

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

My career opportunities

My career opportunities

You will be equipped with the knowledge and skills needed to respond to emerging planning and development challenges.

You'll sharpen your ability to evaluate, analyse and create innovative solutions, and communicate them effectively. Graduates build careers in government, the private sector and non-governmental organisations in areas that include planning and urban policy, development preparation and assessment, transport and local area planning, and regional and strategic planning.

Pathways to further study

Pathways to further study

The Graduate Certificate in Urban and Environmental Planning provides a pathway to the [Master of Urban and Environmental Planning \(5576\)](#).

What are the fees?

Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.
- [Find out more...](#)

Fee-paying postgraduate (domestic) students

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points.

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- A fee-paying postgraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Additional fee information

This postgraduate program has Commonwealth Supported Places. If you are eligible, the Australian Government will contribute to the cost of this program but you will also be required to make a contribution. Quotas are applied for admission to the Commonwealth Supported Places. Where demand exceeds the number of available places and all places have been filled for the current admission period, applicants who meet minimum program entry requirements may be eligible for a Fee-Paying Postgraduate place if such places are available. Please note that deferrals are not permitted for programs with Commonwealth Supported Places.
