## About this program

In this degree, you will study contemporary issues associated with leadership, research, evidence and transformation and reform in healthcare teams, units, organisations and system. This degree will help you develop your management skills and understanding of how health service organisations work and gain the confidence to lead change.

The degree is ideal for clinicians, health management professionals; science and information engineering professionals and those working in corporate roles within healthcare organisations with responsibilities in managing information.

## My attendance during the program

### Attendance information

The Graduate Certificate in Clinical Leadership is offered on a full-time or part-time basis. Full-time study is only available for the Trimester 1 intake and the Trimester 2 intake can be completed via part-time study only.

Students enrolled in this program can fully complete studies in on-campus and online mode as external students of the University. Full internet-based learning platform support and external services, such as library facilities, are provided.

## My career opportunities

### My career opportunities

You may find career opportunities in leading health organisations in transformation.

## Program accreditation

## Program accreditation

This degree is accredited by the [Australasian College of Health Service Management \(ACHSM\)](#).

## Professional recognition

### Professional recognition

Students who complete this degree may be eligible for membership to the [Australasian College of Health Service Management \(ACHSM\)](#).

## What are the fees?

### Commonwealth supported students

- The indicative fee represents the expected average fee for an annual full-time study load (80 credit points). This is based on average study patterns across courses and the Australian Government's broad discipline areas (student contribution bands). A student's actual annual fee may vary in accordance with his or her choice of majors and electives. The Australian Government sets student contribution amounts on an annual basis.
- [Find out more...](#)

### Fee-paying postgraduate (domestic) students

#### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points.

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

#### Tuition fees

- A fee-paying postgraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.
- [Find out more...](#)

#### Tuition fees for your degree program

- [Calculating tuition fees](#)

#### Changing programs

If a postgraduate student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

### Additional fee information

This postgraduate program has **Commonwealth Supported Places**. If you are eligible, the Australian Government will contribute to the cost of this program but you will also be required to make a contribution.

Quotas are applied for admission to the Commonwealth Supported Places. Where demand exceeds the number of available places and all places have been filled for the current admission period, applicants who meet minimum program entry requirements may be eligible for a Fee-Paying Postgraduate place if such places are available. Please note that deferrals are not permitted for programs with Commonwealth Supported Places.
