Trimester 1 and Trimester 2

[Apply Now](#)

## Important Notes

This program has been suspended from offer until trimester 1, 2025.

## About this program

Building Services Engineers are responsible for the design, installation, operation and monitoring of the technical services in buildings (including mechanical, electrical and public health systems) in order to ensure the safe, comfortable and environmentally-friendly operation.

This Graduate Certificate degree will allow electrical and mechanical engineering graduates to enhance their Building Services knowledge.

Code	Program title	Campus	Intake
3374	Graduate Certificate in Building Services (this program)	Gold Coast, Online	Trimester 1 and Trimester 2
5742	<a href="#">Master of Building Services</a>	Gold Coast, Online	Trimester 1 and Trimester 2

Note: Progression is dependent upon satisfying admission requirements.

## My attendance during the program

### Attendance information

This Graduate Certificate will be offered full-time and part-time on-campus (Gold Coast) and online.

If you are an International student on a student visa, you must ensure that you enrol in a way that will allow you to complete your enrolment within the expected program duration as stated on your Confirmation of Enrolment (CoE).

## What are the fees?

### International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

#### Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

#### Program fees for the Graduate Certificate in Building Services (3374)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

#### Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

#### Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
