Degree requirements: Students who started Trimester 2 - 2024

To be eligible for the award of the Master of Visual Arts Research (MVARes), a student must acquire 160 credit points as prescribed below:

- Complete the 20 credit point 8906QCA Visual Arts Research Methods in the first trimester of their enrolment;
- Complete a research project by enrolling in the Studio Practice and Research course each trimester which comprises studio research and a written component to be submitted in the format as prescribed below:
 - For final assessment, students will mount their visual work as a formal exhibition or other appropriate form of publication (site specific installation, video, film, CD, internet site, world wide web publications etc);
 - To accompany their visual work, students will submit a document of at least 10,000 words that will provide a description of the social, artistic and discursive context of the visual work.

Progress review requirements

Completion of progress reporting requirements is a condition of **continued candidature** for higher degree research programs. The following progress review requirements must be completed for the Master of Visual Arts program:

- completion of the Early Candidature Milestone within 3 months (equivalent full-time) of commencement.
- completion of the Confirmation of Candidature Milestone within 6 months (equivalent full-time) of commencement.
- completion of the Thesis and Candidature Review Milestone within 1.5 years (equivalent full-time) of commencement.

Australian Qualifications Framework (AQF) Level and Type

The **Australian Qualifications Framework (AQF)** is the national policy for regulated qualifications in Australian education and training. This qualification is accredited as an AQF Level 9 - Masters Degree (Research).

Program learning outcomes

Program learning outcomes

Program Learning Outcomes communicate to the community the value of the Griffith educational experience as benchmarked against national qualification standards.

Program Learning Outcomes for this award describe the knowledge, skills and the application of knowledge and skills you will acquire through studying the Griffith program of your choice.

Course list: Students starting Trimester 2 - 2024

Course offering information in program structures is a guide only. Please check the actual offering information in the Course Catalogue.

Candidates must complete 8906QCA Visual Arts Research Methods in their first trimester of enrolment.

Studio Practice and Research

Throughout their candidature, students maintain a current enrolment in their research project by enrolling each trimester in the Studio Practice and Research course which relates to their approved academic load (i.e. full-time or part-time).
