## About this program

You will receive a rounded professional architectural education with strength in design-research. You can choose to focus on sustainable design, urban design, history/theory or design practice. The research-based approach to architectural design in this degree will help you develop the capacity to pose original questions and to investigate, analyse and appraise current information and understandings. Research-led design will underpin career-long self-directed learning of a critical-reflective nature.

## My attendance during the program

### Attendance information

Attendance for all students is full-time mainly on campus, with some off-campus activities including: on-line delivery for aspects; integrated practice-learning; site and practice visits; and, elective national and international field studies. Academic staff-student contact is typically 15-16 hr per week except for Architecture Research Project, which is individually supervised with 1 hr per week contact and periodic group reviews of approximately 4 hr.

### Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022. Please visit [Studying amid COVID-19](#) for more information.

### Work-integrated learning

Work integrated learning is established in the core course [7606ENV Architecture Professional Practice 2](#). Additional Work integrated learning is also available through the 'special topic' electives [7607ENV Architecture Special Topic 1](#) and [7703ENV Architecture Special Topic 2](#). Work integrated learning activities integrate theoretical learning with its application in the workplace. Such inclusion in this program demonstrates Griffith University's commitment to preparing its graduates for success in their working life.

## My career opportunities

### My career opportunities

Our graduates have been employed in various architecture related organisations including private practice, consulting firms and in local and state government. You may choose to become a 'general practitioner' or you will have the option to specialise in a building type, in an aspect of building design or construction procurement or with further experience and study you can specialise in urban design or research.

## Professional recognition

### Professional recognition

The Master of Architecture is recognised by the [Architects Accreditation Council of Australia](#), the [Board of Architects of Queensland](#), the [Australian Institute of Architects](#) and the [Commonwealth Association of Architects](#).

## Pathways to further study

### Pathways to further study

This program is the entry-level qualification for the architecture profession and as such is a terminal degree. Through inclusion of 60 credit points of dedicated research in the final trimester of study, graduates will be eligible for consideration for higher-degree-research enrolment.

## What are the fees?

### International students

An International student is one who is not:

- an Australian or New Zealand citizen or
- a person who has Australian permanent resident status.

### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

### Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

### Program fees for the Master of Architecture (5558)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

### Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

### Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
