About this program

This program provides the necessary breadth and depth of public management skills to advance your career both within the public sector and in the increasingly important area of the private-public sector interface.

Experts from across the Griffith Business School teach into the program, drawing on a wide-range of discipline knowledge applied to both business and government contexts. The teaching team consists of academics with experience working in a variety of governmental roles and those at the cutting edge of public sector research and analysis.

A public administration qualification is globally recognised and this program is designed to fit around your busy professional and personal schedules.

This program includes a dissertation option. The dissertation can provide a pathway to a higher degree by research for candidates with the qualifying Grade Point Average (GPA).
