Can I apply?

Admission requirements

To be eligible for admission to the Master of Mental Health Practice, a student must have completed:

- a Bachelor degree in a health/allied health discipline such as nursing, social work, psychology, occupational therapy, pharmacy, speech pathology, medicine, dentistry, or other human services field with a minimum Grade Point Average (GPA) of 4.0 (using a 7.0 scale);
- OR a Bachelor degree with Honours, Graduate Certificate or Graduate Diploma qualification in a human services field with a minimum Grade Point Average (GPA) of 4.0 (using a 7.0 scale);
- OR the [Graduate Certificate in Mental Health Practice \(3232\)](#) from Griffith University with a minimum Grade Point Average (GPA) of 4.0 (using a 7.0 scale) (successful applicants will be eligible for 40 credit points of advanced standing).

As the number of applicants may exceed the Commonwealth Supported Places available in the program, selection for admission is competitive and will be based upon past academic performance and the relevance of previously completed tertiary studies and work experience. To be eligible for a Commonwealth Supported Place, applicants are required to submit past academic transcripts and a curriculum vitae. You also have the opportunity to provide additional supporting documentation (personal statement of up to 500 words plus supporting evidence) if you consider that your past GPA was adversely impacted by significant circumstances such as poverty, homelessness, mental or physical ill-health, or family violence. If you are not successful in gaining a Commonwealth Supported Place, you may be eligible for a Fee-Paying Postgraduate place.
