About this program

You will develop expertise in research and learn the concepts, methods and skills required for research, scholarship, creative investigation and further learning. You will plan and execute a substantial piece of research, based on your chosen topic, and report it as a thesis or creative/professional product with dissertation. This degree will also make you eligible for further doctoral research.

My attendance during the program

Attendance information

Study options include on-campus study in intensive, full-time or part-time modes.

My career opportunities

My career opportunities

Prepare for a research-related career and become eligible for entry into a doctoral program, as well as consideration for higher degree by research scholarships.

Pathways to further study

Pathways to further study

Students can progress to the Doctor of Philosophy (PhD) or Master of Philosophy (MPhil) programs after successfully completing this program at the required standard.

What are the fees?

Additional fee information

Domestic research candidates

Domestic candidates who are admitted to this Higher Degree Research (HDR) program are exempt from tuition fees. Candidates will be provided a Commonwealth Government Research Training Program (RTP) Fee Offset supplemented by tuition fee support from Griffith University.
