Can I apply?

Admission requirements

To eligible for admission to the Master of Electronic and Sport Engineering, an applicant must hold:

- a Bachelor degree in Electronic Engineering or Sport Science (for example, Human Movement) or equivalent three
 year or four year undergraduate degree from a recognised University (or another tertiary education institution of
 equivalent standing) OR
- a Bachelor Honours degree in Electronic Engineering or Sport Science (for example, Human Movement) or equivalent four year undergraduate degree from a recognised University (or another tertiary education institution of equivalent standing).

Students admitted to the program with a Bachelor degree in Electronic Engineering (or equivalent three year Engineering undergraduate degree) will be eligible for 40 credit points of advanced standing towards the program.

Students admitted to the program with a Bachelor Honours degree in Electronic Engineering (or equivalent four year Engineering undergraduate degree) will be eligible for 80 credit points of advanced standing towards the program.

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to these programs are described below.

Credit and recognition of prior learning

Griffith University awards credit for prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information see below.

What is the application process?

How to apply

From 2023, commencing students are referred to the Master of Professional Engineering (5728).

What are the language requirements?

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to this program are as follows:

- A minimum overall band score of 6.5 on IELTS (Academic) with no sub-score of less than 6.0
- OR a minimum score of 575 on TOEFL
- OR an internet-based (iBT) TOEFL score of 79 (no sub-score less than 19)
- OR no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only)
- *OR* a minimum overall score of 176 (no score less than 169) on C1 Advanced (formerly Cambridge Certificate in Advanced English) **or** C2 Proficiency (formerly Cambridge Certificate of Proficiency in English)
- OR an overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

English test results must be no more than two years old.

International students who successfully complete the Direct Entry Program (DEP) will satisfy the English Language requirements for this Griffith degree.

The Direct Entry Program (DEP) is not available for Domestic students.

Applicants should refer to the English language requirements section of the following University procedure for exceptions to these overall requirements:

• Admission Procedure

If you do not meet the University's specified English language requirements, you may wish to contact the Griffith English Language Institute to increase your eligibility for entering a Griffith University program. This Institute offers a number of English language and other courses at both its Brisbane and Gold Coast branches.

• Griffith English Language Institute

Can I apply for credit?

Credit and recognition of prior learning

Griffith University grants credit and recognition of prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information, please visit the following website:

Credit transfer
