My career opportunities

My career opportunities

You will be able to further your career in the airline industry and provide your employer with a competitive advantage over other organisations in the region. On graduation you will also be eligible to pursue doctoral studies or conduct independent research into the aviation sector.

Pathways to further study

Pathways to further study

The Master of Aviation Management is a pathway to academic scholarship through programs such as Higher Degrees by Research.

What are the fees?

Fee-paying postgraduate (domestic) students

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points.

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These

fees are reviewed annually and are subject to change.

Tuition fees

- A fee-paying postgraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Master of Aviation Management (5647)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.
