<b>Indicative fee</b> \$25,000.00* per year ( <a href="#">more</a> ) * 2022 indicative annual fee		

### About this program

This program teaches engineering and project management to the future engineering leaders, equipping them with the skills they need to compete globally. The program provides engineering graduates with the art and science of managing engineering projects. The program is ideal for professional graduate engineers who aspire to develop their managerial skills and advance their capabilities to initiate, plan, resource and execute real-world engineering projects.

Code	Program title	Campus	Intake
5693	Master of Engineering Project Management Advanced	Gold Coast	Trimester 1, Trimester 2 and Trimester 3
<b>5660</b>	<b>Master of Engineering Project Management (this program)</b>	<b>Gold Coast</b>	<b>Trimester 1, Trimester 2 and Trimester 3</b>
3311	Graduate Certificate in Engineering Project Management	Gold Coast	Exit point only

Note: Progression through this program suite is dependent upon satisfying admission requirements.

### My attendance during the program

#### Attendance information

The Master of Engineering Project Management is offered full-time, part-time and on-campus at the Gold Coast.

#### Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022, for four weeks. Please visit [Studying amid COVID-19](#) for more information.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

## My career opportunities

### My career opportunities

Graduates of this program have a wide range of career opportunities. They can pursue careers in consulting, private or public sector organisations.

Our graduates have gone on to successful careers in a variety of industry sectors including built environment, civil infrastructure, oil and gas, mining, energy, and facility and asset management services. Some of the roles they have gone into are project engineer, project manager, contracting manager and team leaders.

## What are the fees?

### Fee-paying postgraduate (domestic) students

#### Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points.

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

#### Tuition fees

- A fee-paying postgraduate student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

### Program fees for the Master of Engineering Project Management (5660)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

#### Tuition fees for your degree program

- [Calculating tuition fees](#)

#### Changing programs

If a postgraduate student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.
