Can I apply?

Admission requirements

To be eligible for admission to **Master of Engineering Project Management Advanced**, a student must hold:

- a Bachelor degree in Engineering or equivalent three year or four year Engineering undergraduate degree from a recognised university (or another tertiary education institution of equivalent standing) *OR* a Bachelor Honours degree in Engineering or equivalent four year Engineering undergraduate degree from a recognised university (or another tertiary education institution of equivalent standing) *OR* a Graduate Certificate in Engineering Project Management.

Students admitted to the program with a Bachelor Honours degree in Engineering or equivalent four year Engineering undergraduate degree or a Graduate Certificate in Engineering Project Management will be eligible for 40 credit points of advanced standing towards the program. The following degrees are considered to be equivalent to a Bachelor Honours degree in Engineering:

- four year Engineering undergraduate degree that includes a significant final year research project component (one semester thesis) from an Australian university; four year Engineering undergraduate degree that includes a significant final year research project component (one semester thesis) from a National Office of Overseas Skills Recognition (NOOSR) Section 1 University.

Note: Students currently enrolled in the **Master of Engineering Project Management (5660)** will be eligible to transfer to the Master of Engineering Project Management Advanced prior to graduation. Graduates of the **Master of Engineering Project Management (5660)** are not eligible for admission to this program.

From 2025:

To be eligible for admission to the **Master of Engineering Project Management Advanced**, you must have:

- a recognised bachelor degree (or higher) in a *related discipline with a minimum grade point average of 4.0 using a 7.0 scale.

*Related Discipline: Engineering, Architecture, Construction, Building, Natural and Physical Sciences, Environment, Mathematics.

A higher qualification refers to a qualification at a higher level than a Bachelor qualification, which includes any of the following: a Bachelor Honours Degree; Graduate Certificate, Graduate Diploma, Masters Degree, MPhil or PhD.

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to these programs are described [below](#).

Credit and recognition of prior learning

Griffith University awards credit for prior learning which may relate to prior formal learning or prior informal and non-formal learning. For more information see [below](#).

What is the application process?

How to apply

To apply, add this program to your shortlist at the top of this page or [apply for this program now](#) (a maximum of three preferences is allowed).

Griffith will assess your first preference and will **only** assess subsequent preferences if you are not successful.

Once you have submitted your application, you will be sent an email about how to track your application.

For a full list of your incomplete or submitted applications, please [view your application list](#).

Note: Applicants are not permitted to defer an offer. Should you be unable to accept an offer, you must re-apply for entry in the following year.

What are the language requirements?

Language requirements

English language requirements apply to International applicants and other applicants whose previous study was undertaken in a language other than English. The minimum English language requirements for such applicants for entry to this program are as follows:

- A minimum overall band score of 6.5 on IELTS (Academic) with no sub-score of less than 6.0
- OR a minimum score of 575 on TOEFL
- OR an internet-based (iBT) TOEFL score of 79 (no sub-score less than 19)
- OR no score less than 3+ in each skill of the ISLPR (conducted by ISLPR Language Services only)
- OR a minimum overall score of 176 (no score less than 169) on C1 Advanced (formerly Cambridge Certificate in Advanced English) **or** C2 Proficiency (formerly Cambridge Certificate of Proficiency in English)
- OR an overall score of 58 in the Pearson Test of English (Academic) with no score less than 50.

English test results must be no more than two years old.

International students who successfully complete the **Direct Entry Program (DEP)** will satisfy the English Language requirements for this Griffith degree.

The Direct Entry Program (DEP) is not available for Domestic students.

Applicants should refer to the English language requirements section of the following University procedure for exceptions to these overall requirements:

- [Admission Procedure](#)

If you do not meet the University's specified English language requirements, you may wish to contact the Griffith English Language Institute to increase your eligibility for entering a Griffith University program. This Institute offers a number of English language and other courses at both its Brisbane and Gold Coast branches.
