Applicants must also complete non-academic entry requirements to be eligible for this program.

You can explore the key learning areas further on the [Queensland Curriculum and Assessment Authority](#) website. The second teaching area must include a minimum of another six courses for senior secondary or four courses for junior secondary.

##### Teaching area requirements for Secondary Education

Please refer to the [Teaching Area Guide](#) for more information.

Note: Successful completion of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) is not an entry requirement for this program. However, if you have achieved a 'satisfactory' result for one or more component of the Literacy and Numeracy Test for Initial Teacher Education (LANTITE) at another institution, the 'satisfactory' result can be carried across with your program application. You are not eligible to apply for a place in the program if one or more component of LANTITE remains at 'unsatisfactory' after two test attempts for that component. Griffith University does not support reset of LANTITE test attempts.
