My attendance during the program

Attendance information

This Masters program is offered full-time and part-time via online delivery and is only available to International students studying in their home country or in Australia on a visa other than a student visa.

Managing study interruptions

Leave of absence

Students may not take leave of absence in this program without the prior approval of the Program Director. The Program Director will review applications for leave of absence relative to the maximum time available to complete the program, professional registration requirements and employment requirements (if applicable).

My career opportunities**My career opportunities**

You will be recognised for your expertise and ability to apply multidisciplinary knowledge and skills in nursing and will have the ability to analyse, critique and synthesise advanced practice in nursing.

Pathways to further study**Pathways to further study**

Students who complete a dissertation component will have a pathway to Higher Degree Research study. Graduates who wish to continue onto Higher Degree Research study and have not completed the dissertation component will be able to apply for entry to the [Graduate Diploma of Health Research \(4161\)](#) which provides the necessary preparation for entry into the Doctor of Philosophy (PhD) or Master of Philosophy (MPhil) program.

What are the fees?**International students**

An International student is one who is not:

- an Australian or New Zealand citizen or
- a Pacific Engagement visa holder or
- a person who has Australian permanent resident status.

Indicative annual tuition fee

The indicative annual tuition fee is calculated based on a standard full-time study load which is usually 80 credit points (two full-time trimesters).

The indicative annual tuition fee is based on current conditions and available data and should only be used as a guide. These fees are reviewed annually and are subject to change.

Tuition fees

- An International student pays tuition fees.
- Students are liable for tuition fees for the courses they are enrolled in as at the census date.
- The tuition fee for students who commence their program prior to 2014 is charged according to the approved program fee for the trimester in which the student commenced the program.
- The tuition fee for students who commence their program from 2014 onwards is charged according to the approved program fee for the trimester in which the student is enrolled.

Program fees for the Master of Advanced Nursing Practice (5721)

Fees for this program can be found on the Programs and Courses website in the "Overview and fees" section. Select your commencing year to view your fees.

Changing programs

If an International student changes to a different program they will be subject to the approved program fee for the trimester in which they are enrolled.

Permanent resident status

If an **undergraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will be provided with a domestic fee-paying place.

The student may then apply for a Commonwealth supported place at the next admission period provided that the student satisfies the conditions for transfer from a domestic fee-paying place to a Commonwealth supported place as set out in the [Undergraduate Programs Admission Policy](#).

If a **postgraduate student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth supported place (subject to availability) or a domestic fee-paying place as applicable for the program.

If a **research student** obtains permanent resident status in Australia after commencing study in a program, and the student can provide evidence of permanent resident status prior to the census date (of the trimester in which they are enrolled), the student will automatically be considered for a Commonwealth Government Research Training Program (RTP) Fee Offset or a domestic fee-paying place as applicable for the program.
