Program code

5759

Commencing in

Trimester 1 and Trimester 2

Available at

Gold Coast Campus

Duration

5 years full-time

10 years part-time

Credit points

400

Important Notes

This program is pending final approval and is scheduled to commence in trimester 1, 2025.

About this program

If you want to become an architect, this double degree is a complete pathway to meeting your academic and professional requirements. You'll build upon your foundational skills and knowledge to learn advanced design skills, grounded in creative problem-solving and sustainable design practices.

In your fourth year, you will need to successfully complete the Bachelor of Architectural Design to progress to the Master of Architecture.

My attendance during the program

Attendance information

Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.

My career opportunities

My career opportunities

You'll be prepared to work as an architect in private practice, consulting firms and in local and state government. You may want to specialise your skills in a specific building type, building design or construction procurement with further research or study in urban design.

Professional recognition

Professional recognition

Professional recognition for the Bachelor of Architectural Design/Master of Architecture will be sought by the [Architects Accreditation Council of Australia](#), the [Board of Architects of Queensland](#), the [Australian Institute of Architects](#) and the [Commonwealth Association of Architects](#).
