About this program

The Doctor of Philosophy (PhD) is Griffith's premier research training degree. It is your opportunity to explore a specific research area or topic that you are passionate about. You will be challenged to develop your original research project and receive mentoring and guidance from your supervisor. The PhD is awarded on the basis of a thesis or other substantial research output prepared independently under supervision that makes a significant and original contribution to knowledge in the relevant field of study as judged by independent experts of international standing.

My attendance during the program

Attendance information

Studying amid COVID-19

The University's Mandatory COVID-19 Vaccination or Testing policy is under review and consultation and will be suspended from 14/4/2022, for four weeks. Please visit [Studying amid COVID-19](#) for more information.
