### Course list: Students starting Trimester 2 - 2024

Course offering information in program structures is a guide only. Please check the actual offering information in the [Course Catalogue](#).

#### Academic plans

Each student will be assigned to two academic plans throughout their candidature:

- one plan designating the academic element (i.e. School, Department or Research Centre) in which the research is being conducted, and
- the other plan designating the discipline area (i.e. field of education) to which the research project is classified.

Throughout their candidature, students maintain a current enrolment by enrolling each trimester in the research course which relates to their academic load of full-time or part-time (see below). Students in this program are automatically enrolled in a course each trimester.
