### About this program

The Diploma of Applied Financial Advice is a pathway program designed to help you transition into the Financial Adviser Standards approved program, Bachelor of Applied Financial Advice. You'll develop foundational knowledge and skills in a supportive learning environment, setting you up for success in your future studies.

As an emerging profession, financial advice continues to evolve, with a shift towards progressive, innovative workplace practices to manage the needs of clients and financial advice businesses in the context of dynamic financial markets, financial technology, regulation and beyond. You will be exposed to modern business practices, such as adaptability, creativity, diversity, and sustainability, along with foundational theoretical and technical financial planning knowledge. The Diploma of Applied Financial Advice focuses on learning by doing, developing your communication skills and professional competencies to enable you to take advantage of the increasing employment opportunities ahead in financial advice and broader business contexts.

You'll study an academic foundation course that prepares you for your university studies, as well as courses on the purpose of business and grand challenges for business, with additional support and access to a dedicated First Year Coordinator and (PASS), run by high-achieving students. You'll also complete courses introducing you to the financial planning process, ethics, technology and regulatory environment and the various areas of financial advice including investments, insurance and risk management, and superannuation and retirement.

### My attendance during the program

#### Attendance information

This program is offered online to domestic students, full-time or part-time study mode.

Some courses are also offered on campus at Nathan and Gold Coast. You may choose to study courses at other campuses. To complete this program students will require access to high speed internet, modern computing facilities with specified hardware (web camera, microphone, digital recording capability, iPad).

To complete this program students must be eligible to work in Australia.

As a full-time student, you will generally attend 12-15 hours of scheduled classes per week throughout the trimester. As a part-time student, you will generally attend 6-8 hours of scheduled classes per week. Classes may be scheduled during the day and evening throughout the week.

#### Student Income Support

To be classed as a full-time student, you are required to enrol in a minimum number of credit points each standard study period. The minimum credit points for full-time enrolment in this program is 30 credit points.

Trimester 1 and Trimester 2 are deemed standard study periods. As Trimester 3 is a non-standard study period, continuing students moving from one year to the next will not be required to study during this trimester to be eligible for student income

support.

Domestic students who commence in Trimester 3 may be eligible for student income support from the onset of study provided they are enrolled full-time in this study period.

Please refer to the [Australian Government website](#) for more details.
